INDEPENDENT AUDITOR'S REPORT

To the Members of Business West Incorporated

Opinion

We have audited the financial information in the Performance Report of Business West Incorporated on pages 7 to 18, which comprises the Statement of Financial Position as at 30 June 2026, and the Statement of Financial Performance and Statement of Cash Flows for the year then ended, a Statement of Accounting Policies and Notes to the Performance Report including material accounting policy information and other explanatory information. We were not engaged to audit the Entity Information or Statement of Service Performance and accordingly these statements, representing other information, are not included in our audit.

In our opinion, the financial information in the accompanying Performance Report presents fairly, in all material respects, the financial position of Business West Incorporated as at 30 June 2026, and its financial performance and its cash flows for the year then ended in accordance with the requirements of the Tier 3 (NFP) Standard issued by the New Zealand Accounting Standards Board of the External Reporting Board (XRB).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Performance Report section of our report. We are independent of Business West Incorporated in accordance with Professional and Ethical Standard 1 'International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor, we have no relationship with, or interests in, Business West Incorporated.

Restriction on Responsibility

This report is made solely to the Members, as a body, in accordance with section 42F of the Charities Act 2005. Our audit work has been undertaken so that we might state to the Members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Members as a body, for our audit work, for this report, or for the opinions we have formed.

Other Information: Entity Information and Statement of Service Performance

The Executive Committee are responsible for the other information. The other information comprises the Entity Information and Statement of Service Performance but does not include the Performance Report and our auditor's report thereon.

Our opinion on the financial information in the Performance Report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Performance Report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Performance Report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Executive Committee' Responsibility for the Performance Report

The Executive Committee are responsible on behalf of the entity for:
(a) the selection of elements/aspects of service performance, performance measures and/or descriptions and measurement bases or evaluation methods that present service performance information that is appropriate and meaningful in accordance with the Tier 3 (NFP) Standard;
(b) the preparation and fair presentation of the Performance Report which comprises:

- the Entity Information;
- the Statement of Service Performance; and
- the Statement of Financial Performance, Statement of Financial Position, Statement of Cash Flows, Statement of Accounting Policies and Notes to the Performance Report in accordance with the Tier 3 (NFP) Standard, and

(c) for such internal control as the Executive Committee determine is necessary to enable the preparation of a Performance Report that is free from material misstatement, whether due to fraud or error.

In preparing the Performance Report, the Executive Committee are responsible on behalf of the entity for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Information in the Performance Report

Our objectives are to obtain reasonable assurance about whether the financial information in the Performance Report is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of this Performance Report.

As part of an audit in accordance with ISAs (NZ), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial information in the Performance Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the Executive Committee and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial information in Performance Report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

We communicate with the Executive Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Entity Information

Business West Incorporated
For the year ended 30 June 2026

Legal Name of Entity

Business West Incorporated

Entity Type and Legal Basis

Incorporated Society under The Incorporated Societies Act 2022

Registration Number

2328414

Entity's Purpose or Mission

A support organisation for members within our Business Improvement (BID) area.

To promote a "one voice" belief, an access point to an established business precinct, and to advance a meaningful pathway for cooperation and collaboration within "OUR WEST".

Entity Structure and Governance Arrangements

The Society is governed by the Executive Committee. The Executive Committee consists of:
- an elected Chairperson, Secretary and Treasurer,
- no less than five voting members; and
- no more than eleven voting members and two non-voting members.

Only members of the society may be Committee members.
The voting members of the Executive Committee shall be at least five full members of the Association and any other person appointed to be a voting member of the Executive Committee.
The Executive Committee may from time to time appoint any person who it considers appropriate, including the Local Board Representative, to be a non-voting member of the Executive Committee.
The Executive Committee may give consideration to achieving a selection of representation across the various types and categories of the business located within the BID Targeted Rating Area.

Main Sources of Entity's Cash and Resources

- Targeted Rate BID Payment
- Additional revenue from magazine advertising, event/sponsorship income and associate members.

Main Methods Used by Entity to Raise Funds

Utilising the marketing, sales and HR resources and mechanisms.

Other entities controlled by the entity

No other entities are controlled by the society.

Entity's Reliance on Volunteers and Donated Goods or Services

A support organisation for members within our Business Improvement (BID) area.

The board members are providing services voluntarily, and in regards to the donated goods and services, there is not a heavy reliance on them.

Statement of Service Performance

Business West Incorporated
For the year ended 30 June 2026

The following is a summary of entity's main activities during the last 12 months.

	2026	2025
1. BWBA's WEst Magazine		
Issues during the year	4	5
Copies delivered to Business	11,500	14,000
Copies in stands	4,800	5,500
Copies presented at various events	1,300	1,500
Advertisements placed	92	-

This full colour, 36 page WEst Magazine is printed quartery and showcases the business and community activities in West Auckland.

	2026	2025
2. Business After 5 (BA5)		
Number of BA5's	8	9
Number of registrations	715	842
Number of sponsors	11	12

BWBA's very popular BA5 is a monthly business networking function hosted by a different business each month. The focus is to maximise the opportunity for business attendees to network with a minimal formality. Above is the summary of the events during the year.

	2026	2025
3. Henderson Security Patrols		
Number of Security Patrols completed	704	706

On 1 November 2021, Business West Incorporated commenced Security Patrols in Henderson 5 days a week, increasing to 7 days a week in January 2022 provided by the Business West Incorporated Member and Partner Matrix Security. The Patrols take place for 4 hours daily and are performed by 1-2 Security Officers. Nightly mobile patrols are also performed once per night 7 days a week. It had been discussed by Board Members to discontinue with the mobile patrols in May 2023, but as a result of the Crime Prevention funding it was decided to reintroduce these patrols. The Security Officers are required to:

- Provide a visible presence through active foot patrols within the Henderson town Centre and Pioneer Plaza areas
- Liaise with business owners and assist with any security concerns
- Report security related issues as well as damage, rubbish, graffiti etc.
- Serve trespass notices if/when required, with written consent of property owner/body corporate
- Liaise with Police when required

This statement has been prepared with conducting an audit engagement.

Statement of Accounting Policies

Business West Incorporated
For the year ended 30 June 2026

Basis of Preparation

This performance report is prepared in accordance with the XRB's Tier 3 (NFP) Standard. The entity is eligible to apply these requirements as it does not have public accountability and has total annual expenses of less than $5,000,000. All transactions in the performance report are reported using the accrual basis of accounting. This performance report is prepared under the assumption that the entity will continue to operate for the foreseeable future.

Goods and Services Tax (GST)

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for Debtors and Creditors which are stated inclusive of GST.

Income Tax

Business West Incorporated is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

Cash and Short-Term Deposits

Cash and short term deposits in the Statement of Financial Position and Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

Debtors and Creditors

Debtors and creditors are stated in their net realisable value. Bad debts relating to debtors are written off in the year in which they are identified. Creditors represent liabilities for goods and services provided to the organisation prior to the end of the financial year which are unpaid. Creditors are recorded at the amount of cash required to settle those liabilities. The amounts are unsecured and are usually paid within 12 months of recognition.

Property, Plant and Equipment

Property, plant and equipment are tangible items that are used in the production or supply of goods or services, or for administrative purposes, and are expected to be used during more than one financial year. All property, plant and equipment is recorded at cost less accumulated depreciation and impairment losses.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Financial Performance.

Depreciation

Depreciation is provided to spread the cost of the asset over the expected useful life of the asset, using a structured method such as straight line or diminishing value. Depreciation method, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

Major depreciation rates are:

Computer Equipment	40% - 67%	SL
Furniture	8.5% - 10.5%	SL
Leasehold Improvements	10%	DV
Office Equipment	10.5% - 67%	SL
Plant and Equipment	13.5% - 40%	SL
Website Development	40%	SL

Impairment

At each reporting date, the entity reviews the carrying amounts of its property, plant and equipment to determine whether there is any indication that those property, plant and equipment have suffered an impairment loss. If any such indication exists, the recoverable amount of the property, plant and equipment is estimated in order to determine the extent of the impairment loss.

An impairment loss is recognised immediately in the Statement of Financial Performance. Where an impairment loss subsequently reverses, the carrying amount of the property, plant and equipment is increased to the revised estimate of its recoverable amount, but only to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the property, plant and equipment. The reversal of an impairment loss is recognised immediately in income.

Revenue

Revenue is recognised in the statement of financial performance in the period in which it is earned. Revenue that is received in advance of the service being provided is recognised in the statement of financial position as a liability and recognised as revenue in the financial year that the services are provided in.

Expenses

Operating expenses are recognised in profit or loss upon utilisation of the service or at the date of their origin.

Goods and Services in Kind Provided to the Entity

Goods in-kind are tangible assets transferred to the entity in a non-exchange transaction, without charge, but may be subject to stipulations. If goods in-kind are received without conditions attached, revenue is recognised immediately. If conditions are attached, a liability is recognised, which is reduced and revenue recognised as the conditions are satisfied.

Services in in-kind are services provided to the entity in anon-exchange transaction. These services meet the definition of an asset because the entity controls a resource from which future economic benefits or service potential are expected to flow to the entity. These assets are, however, immediately consumed, and a transaction of equal value is also recognised to reflect the consumption of these services in-kind.

Cash Flow

For the purposes of the Statement of Cash Flows, cash includes cash on hand, cash at bank and short term deposits held with banks which have a term of less than three months.

Changes in Accounting Policies

There have been no changes in accounting policies during the financial year. (last year: nil).

Significant management judgement in applying accounting policies and estimation uncertainty

When preparing the performance report, management under takes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses. The key assumptions include the following:

Property, Plant & Equipment

While every care is taken to determine the useful life of an asset, these are fair and reasonable estimations. Any future changes to the asset which was not foreseeable will be accounted for in the period of impairment.

Comparatives

The comparative figures cover the 12 month period ended 30 June 2025.
